### **Wallingford Police to Conduct Enforcement of Distracted Driving Laws**

During the month of April, members of the Wallingford Police Department will make concerted efforts to detect and enforce various distracted driving laws such as those involving the hand-held use of a cellphone during the operation of a motor vehicle. These efforts will take place on local and state roadways within the Town of Wallingford.

Funding for this effort has been made available by the police department's participation in a State of Connecticut Department of Transportation Highway Safety Grant. This funding supports the staffing necessary to allow Wallingford Police to dedicate time and resources with the ultimate goal of reducing traffic accident related deaths, injuries and property damage.

Please contact the Wallingford Police Traffic Division at (203)294-2838 with any questions or concerns.
